I am currently assigned to the Detroit Field Office, Grand Rapids Resident Agency. During my employment with the FBI, I have conducted investigations involving violations of federal criminal laws, including violations related to child exploitation and pornography. I am familiar with the various statutes of Title 18, United States Code, Chapter 110 – sexual exploitation and other abuse of children, including violations pertaining to sexual exploitation and attempted sexual exploitation of children (18 U.S.C. § 2251(a)) and possession of child pornography (18 U.S.C. § 2252A(a)(5)(B)), the “subject offenses.”

2. The facts in this Continuation of Criminal Complaint are based on my personal observations, my training and experience, and information obtained from other agents and witnesses. I submit the following to establish probable cause to believe that Eric Terrell (“TERRELL” or “Defendant”) has committed violations of sexual exploitation and other abuse of children, including violations pertaining to sexual exploitation and attempted sexual exploitation of children (18 U.S.C. § 2251(a)), the “subject offense.” This Continuation of Criminal Complaint is intended merely to show probable cause that TERRELL committed the described offenses below and does not set forth all of my knowledge concerning this matter.

PROBABLE CAUSE FOR SEARCH WARRANT

3. Around 1/08/2025, the Kent County Sheriff's Office received an anonymous tip from OK To Say regarding an adult having sexual conversations with

minors. The tip alleged that ERIC JOSEPH TERRELL, residing at 2037 84th Street SW, Byron Center, MI was sexting and sending inappropriate images to minors on Discord and Instagram. There were no names of victims provided, except for a screenshot of a Discord conversation between Discord users “.kalie” (MV1) and Iswearitsconsensual (TERRELL) on 12/14/2024. It was alleged that TERRELL had MV1 harm herself by carving his name into her leg. The screenshot showed that MV1 sent an image of the name “ERIK” carved into the skin of what appeared to be an arm or a leg. The carving appeared deep enough to cause bleeding. TERRELL responded to the photo by saying "Much better Did that feel good hm? You wanna play now?"

6. TERRELL and MV1 discussed MV1 being in school and that she rode the school bus to school. They discussed MV1 sending TERRELL photos from the school's bathroom. There were several links in the chat log provided by Discord, which accessed videos or images that were sent in the chats. MV1 sent TERRELL several non-nude images and videos of herself in a public bathroom as well as in what appeared to be inside of a school. In one of the bathroom photos, MV1 was holding what appeared to be an orange hall pass.

7. TERRELL sent MV1 a selfie style photo around 12/03/2024, after he asked MV1 if she wanted to see a picture of his face and said, "Now that I'm pretty sure you aren't going to report me to the authorities for planning on absolutely abusing a child relentlessly from now on." 24. A search warrant was obtained for the Discord account associated with ERIC TERRELL's phone number (Username: iswearitsconsensual#0). On 2/25/2025

Discord provided the requested account content for download.

25. A cursory review of the chats found in the Discord account revealed that TERRELL was in communication with over 28 different people who identified themselves as being under the age of 18, some of which were as young as 13-years-old. On 1/16/2025, TERRELL had a conversation with a female, who identified themselves as being 15-years-old, whom he discussed sending underwear pictures with. Around 12/06/2024, TERRELL was chatting with a Discord user who said she was 15-years-old and had borderline personality disorder. It appeared that TERRELL sent the minor a picture of his penis and told her "Also don't worry that's still softy it gets bigger". TERRELL told the minor to send him a recording of her farting so he could see her anus, but it did not appear she complied with this request. The minor told TERRELL she felt like cutting herself, and TERRELL encouraged her by telling her they could do it together and he could control how much she cuts herself. When the minor said she was going to cut herself in the shower, TERRELL told her that she "might as well send me some vids of that pretty ahh little body idk".

26. On 3/05/2025, TERRELL was interviewed by FBI agents. TERRELL was shown a photo of MV1 which was sent by her to TERRELL on Discord and he recognized her as being someone he talked to. He stated her had started talking to her a few months ago. TERRELL said he thought she was 15-years-old. He admitted she had cut his name into her skin. He admitted he had asked for 5 nude photos of herself, which she sent. He admitted to receiving a photo MV1 sent him of herself laying on a bed exposing her vagina.

27. TERRELL provided the password to his phone, which was taken off his person, and it was searched during the interview, pursuant to the authority of a federal search. A video was found saved to his phone depicting what appeared to be a minor female, who was not MV1, and appeared to be between 11-13-years-old, but whose actual age is unknown to investigators. In the video, the minor removes her clothes in a bathroom and exposes her genitals for the camera. TERRELL was asked how old he believed the girl in the video to be, and he said he thought she was around 12-years-old.
